

Re: How to get to the ETSC secretariat office

### ETSC Office

The ETSC office is located on 20, Avenue des Celtes (or Keltenlaan in Flemish) ('Street of the Celts' in English). The closest Metro station is 'Merode' and the closest Train station is 'Schuman'. For a map with all necessary information please [click here](#). If you come by car it is possible to park for free in the surroundings as indicated on the map.

When you get there, please digit 'B 128' at the door to ring!

### How to get there from the Airport?

On weekdays the best solution is to take the Bus route number 12 directly from the airport terminal and stop at the 'Schuman' stop in front of the big European Commission 'Berlaymont' building (picture below). After 7pm or on weekend days, Bus 12 is replaced by Bus 21.
